**EXHILARATING:**  
This is the moment that Luton on Sunday reporter Lauren Archell experienced the thrill of the amazing Rage buggies, which are made by craftsmen in Dunstable. The astonishing cars are capable of accelerating from 0-60mph in less than four seconds. And they can hit top speeds well over 100mph

## Incredible buggies are all the Rage

WHAT have stars from the world of Formula One, pop music and Premier League football got in common?

They are all among owners of amazing high performance Rage Motorsport buggies, which are manufactured right on our doorstep in Dunstable.

The machines, which can cost up to £45,000 each, are sold all over the world to customers who want to take part in racing events, or just to blow off some

steam at high speed!

This week we gained rare access to the specialist factory where the vehicles are hand built by talented engineers, and even had the opportunity to go for a spin in one of the 120mph mean machines. To find out more about these incredible buggies turn to pages 18 and 19.

# Go ahead for £17m plan to build homes and shops

BY CARL MUNGAZI

[carl.mungazi@lutononsunday.co.uk](mailto:carl.mungazi@lutononsunday.co.uk)

A REDEVELOPMENT plan that will see new flats and a retail area built in Marsh Farm has been given the green light by councillors.

Luton council wants to demolish the Purley Centre and build new social housing and a retail area for local residents.

A document submitted to the Development Control Committee meeting on Wednesday night outlined plans for a combination of 16 flats and maisonettes, three blocks of 85 flats, 11 houses and 1,503 square metres of retail space.

The authority hopes to begin work on the site after Christmas. Residents currently living at the site will be moved out over the next year while work is carried out.

Contracts drawn up for the scheme will mean 20 per cent of the labour force will be local and there will be an emphasis on encouraging the use of local businesses on the project.

The scheme is expected to cost between £15-17million and comes after delays to regeneration plans for the area over the past few years.

During Wednesday's meeting Councillor Tom Shaw, said: "This scheme hasn't just appeared. It's been worked on for 16 months.

"The people of Marsh Farm

DEVELOPMENT: The Purley Centre

themselves have been a major part of this. There has been a public consultation and they've been part of the design group.

"It's all social housing, every single

bit of it. It's not private, it's all social housing but it's social housing that's built to a standard that people will be proud to live in and that's the main thing about this scheme.

"It's going to be affordable rents, not market rents or anything else, it will be the rents where they can afford to live there, afford to get a job there and kids can play outside their own flats."

He added: "It will be the first estate built in Luton which is going to have CCTV cameras from day one and secure entry on all doors leading into the blocks of flats.

"The design group thought it was important that we have CCTV covering all the footpaths and anything

else because the whole idea of this is that kids can play outside, and that's been included."

During the consultation on the scheme concerns were raised by the local NHS health centre about the possible impact the new layout could have on access for emergency vehicles, including medical helicopter landings. There was also a comment by the Police Architectural Liaison Officer expressing concerns that the layout of the new scheme could result in increased crime levels.

# Airport is fined £75k after pensioner's death

**BY JULIA SUTTON**  
editor@lutononsunday.co.uk

**LUTON Airport has been fined £75k after a 78-year-old woman was killed on a zebra crossing at the terminal.**

Mary Whiting, from Norwich, was returning from a family holiday in 2009 when she was hit by a lorry delivering milk.

At Luton Crown Court on Friday the airport was told to pay £75,000 in fines and costs of £197,595 along with its design sub-contractor C-T Aviation Solutions Ltd which was fined £70,000 and costs of £30,000.

An investigation by the Health and Safety Executive (HSE) had found the operators of Luton Airport, London Luton Airport Operations Ltd (LLAOL), and C-T Aviation, guilty of failing to ensure the safety of people using

the airport and contravening health and safety regulations.

LLAOL were also convicted of contravening an improvement notice but neither company was charged with an offence specifically relating to the death of Mrs Whiting.

Lorry driver Rossano Casagrande had been prosecuted for causing death by careless driving but he was cleared by a jury in 2010. During his trial the layout of a service road and the crossing - that have since been altered - were criticised.

The airport had consulted with the design firm on the original plans. In a trial earlier this year it was revealed the zebra crossing did not have to conform to regulations for crossings on normal roads as it was on private land.

Passengers used it to reach cars parks and drop off points, and

the road was used for access and deliveries.

The layout had been altered during a £1.9 million revamp which was completed in March 2009.

Judge Philip Bartle QC said: "In my view there was a foreseeable risk of injury or death to pedestrians, and the seriousness is that LLAOL exposed 8-9 million visitors a year to that risk."

"In this case Mrs Whiting was on a sub standard crossing on the access road and without any fault by her she was killed."

He said LLAOL had not carried out their own risk assessment but added that the crossing was altered following the accident.

The Judge also said LLAOL had an 'impressive' safety record given the size of their operation and number of staff employed at the airport.

## newsbriefs

**CAR PARK DEATH MAN IS NAMED**

**THE man who died after falling from a multi-storey car park has been named.**

Patrick Joseph Burns, 67, of Shelton Way in Luton, died from multiple injuries following the incident on October 12.

The incident saw Silver Street in the town centre cordoned off while the police and emergency services dealt with the situation.

Coroner David Morris opened an inquest into the death on Thursday and it was adjourned to be held at a later date.

Following the incident, a Bedfordshire Police spokesman said: "The police got a call at 5.23pm that a man had jumped from The Mall car park."

"He has unfortunately died from his injuries and the case is now with the coroner."

**WOMAN INDECENTLY ASSAULTED**

**POLICE are investigating an indecent assault that took place in broad daylight.**

The 20-year-old woman was assaulted as she walked along Churchill Road, Luton, at around 3.35pm on October 8.

Three men got out of a grey or silver saloon car and approached the victim before assaulting her. They then got back into the car and drove away.

Bedfordshire Police have described the suspects as white Eastern European men and are approximately 22-years-old.

Anyone with information can contact the force on 101.

**'ACTION DAY' FOR BISCOT WARD**

**WORKERS from different local organisations have been working together to tackle issues in part of the town.**

A team of council officers, councillors, Bedfordshire Police and Bedfordshire and Luton Fire and Rescue Service has visited Biscot as part of an 'Environmental Action Day'.

They were looking for issues such as insecure and empty properties, overhanging foliage, untaxed and abandoned vehicles, dog fouling, potholes, skips on the highway without a permit, fly-tipping, arson risks and noting comments from residents.

The council said more than 90 items were identified and would be fixed soon as possible.

## Derelict garages are transformed into homes

THE ribbon has been cut on Griggs Gardens, the town's newest affordable housing development.

Officials from Luton Community Housing (LCH) and Luton Borough Council came together to celebrate the success of their partnership which has resulted in four new homes being built on the site of a derelict garage court in Cades Close.

The site - previously owned by the authority - was full of derelict garages and was attracting vandalism.

Recognising the need to put the land to good use, the two organisations came together to plan how they were going to make best use of the site to benefit the wider community.

As a result the authority gifted the land to LCH who cleared the area and developed the scheme.

The development will allow four families to come off the housing waiting list.

Lynda Rees, CEO of Luton Community Housing, said: "We are delighted to have been able to partner with Luton Borough Council on this scheme, which is one of two projects we are doing."

# Police arrest murder suspect in Trinidad

BY LAUREN ARCHELL

lauren.archell@lutononsunday.co.uk

**A MAN will be extradited from Trinidad after being arrested on suspicion of murdering Luton man Jordan Maguire.**

Jason Nelson, a Grenadian national, aged 30, who formerly lived in Luton, was arrested on Wednesday night in connection with the fatal stabbing of the 20-year-old in his own home in Thrales Close on the evening of Sunday, May 26.

The action was taken, following close collaboration between detectives from Bedfordshire Police's Major Crime Unit, the Crown Prosecution Service, the National Crime Agency and the Trinidad and Tobago Police Service over the last fortnight.

Following the arrest, there will now be a process of extradition from Trinidad which could take a number of months.

The brutal murder of Jordan, who has been described as a 'good lad', shocked the community.

Officers were first called to a property in Marsh Farm, by colleagues from the Ambulance Service at around 8.15pm on Sunday, May 26, after they received reports of a stabbing.

Firearms units attended the property where the 20-year-old was found with serious injuries.

He was rushed to the Luton and Dunstable Hospital but was tragically pronounced dead shortly afterwards.

Following the launch of a murder investigation by police, his mother, Julie Maguire, said: "Everybody loved him, everybody knew him. If he was in your life then your life was blessed."

"We are a close family and also he had lots of friends who have been very supportive to me."

"He had so very many friends, they

were like brothers and their lives are empty too, just as much as mine is."

"What's happened has killed us, it's killed the community, there is no laughter any more."

His cousin, Jason Lake added: "He was a good lad and he was sound. He kept himself to himself."

The Major Crime Unit are still keen to hear from anyone who may have information that could help this investigation.

The officers can be reached directly at their base on 01707 355666 or alternatively call 101.

## Taxi drivers to meet over safety

TAXI drivers in the town are set to meet with the police and the council to discuss concerns about driver safety.

On Friday the first meeting of the Taxi Forum is set to be held between the Luton Borough Drivers Union (LBDU), Bedfordshire Police and Luton council.

Two weeks ago *Luton on Sunday* exclusively revealed how taxi drivers in the town were calling for more police action following a spate of incidents in

which drivers were attacked.

They had staged a protest at Luton police station after a driver was beaten up near McDonalds in Leagrave on September 27.

After the attack he had been taken to the Luton & Dunstable Hospital and kept overnight for treatment.

The LBDU said it had been in discussion with both authorities over the past fortnight.

A police spokeswoman said the force had organised the meeting so it could 'work in partnership with the taxi services in Luton'.

She continued: "The council is also participating and in the first meeting we will be discussing how we can communicate better and how we can reassure the taxi community about the crimes that have already happened and how we deal with crime."

# Tenants' houses saved by council

BY LAUREN ARCHELL

lauren.archell@lutononsunday.co.uk

**THE homes of 27 families who were facing eviction have been saved, after Luton Borough Council stepped in and bought the properties.**

The buy has been described as a 'great deal' by the authority's portfolio holder for housing, Cllr Tom Shaw, as it includes an additional nine properties which will be used to house families on the council's waiting list.

Devastated tenants first spoke of their shock in January, when they were each served with a 'notice to quit', which meant that they would have to be out of their homes, which were then owned by the Highways Agency, within two months.

At the time, the residents claimed that they had been told that their properties were safe for at least another three years.

The homes near junction 11 of the M1 in Luton were originally bought by the Highways Agency for the motorway widening scheme to take place, and were rented out.

However, in 2009 the scheme changed and the houses were no longer required. They were then offered to tenants to buy or put up for sale, until January, when the households were each served with a notice to quit.

But after months of meetings and speculation, the residents were informed last week that they would be able to stay put as the authority had struck a deal and purchased the homes.

Following the announcement Councillor Shaw said: "There were lots of very smiley faces after the announcement was made at the final meeting last Saturday.

"These are homes that 27 tenants live in, some who have lived there for 15 to 20 years, so these families were understandably very worried about losing these properties.

"We managed to convince the council to borrow money to buy the houses for a very reasonable price – and in fact the deal includes nine currently vacant properties.

"Once refurbished this means that nine families can come off of the waiting list, and move into the houses, which will be adapted for full disabled access."

He added: "If the unthinkable had happened and the tenants had been evicted, the council would have been responsible for housing the 27 families, which in the short term would probably have meant paying for bed and breakfast hotels.

"Therefore this is a great deal makes business sense in the long term and the fact nine additional families will also be able to move into homes makes it even better."

## Town hosts carnival event

THE UK Centre For Carnival Arts (UKCCA) has hosted a night of world music from various artists around the UK.

On Thursday the 'Carnival Jump Up' had residents enjoying a variety of sounds from Luton steel pan band The Revellers to the afro beat DJ Rita Ray.

The Brazilian-inspired Carnival Collective raised the tempo with their 40-piece live samba band. There was also an array of award-winning carnival costumes and masks by Brazilian carnival artist Mariana Pinho (pictured left).

Pax Nindi, creative director at UKCCA (pictured middle), said: "The UK Centre for Carnival Arts is all about bringing great entertainment to the local community.

"Carnival Jump Up gives everyone in Luton the great opportunity to enjoy some of the best carnival entertainment in the UK."

# Jury finds £1.2m tax cheat guilty

BY CARL MUNGAZI

carl.mungazi@lutononsunday.co.uk

**A BUSINESSMAN who rented office space in the town centre has been found guilty of cheating HM Revenue out of income tax and VAT totalling £1.2 million.**

Mohammed Farook, 53, of Old Bedford Road, was found guilty in his absence by a jury at Luton Crown Court who heard how he failed to make payments for more than 11 years. Following the verdicts,

sentence on Farook, who was not present at his trial, was adjourned for two weeks.

The two charges covered the period of January 1, 2001 to September 23, 2012 and the jury retired for less than an hour to bring in guilty verdicts on both charges.

The money should have been paid based on the rent he charged to tenants, including Luton council, at Stuart House in Luton town centre. He had bought the office block for £1.25 million in November 2001.

An accountant from the council was carrying out a review of council expenditure on the property in 2011 when it was discovered that Mr Farook's VAT number was invalid.

It had been cancelled by the Revenue nine years earlier as no payments had ever been received from the businessman.

When Mr Farook was arrested in 2011 he said he didn't think he had to pay tax because he spent so much time living out of the UK.

## Winter campaign for town's elderly

A CARE provider has announced activities for elderly people in Luton and Dunstable as part of a 'Winter Wellness' campaign.

Bupa said it wanted to encourage older people to stay both physically and emotionally well during the upcoming season.

As part of their campaign they will be giving out leaflets and providing free food, exercise sessions and advice.

# Lib Dems hold seat in Barnfield election

BY LAUREN ARCHELL

lauren.archell@lutononsunday.co.uk

THE Liberal Democrats managed to their seat in the Barnfield by-election on Thursday evening – although it was a close run vote.

Clive Mead was elected to represent the ward, receiving 674 votes.

The win was a narrow one, with Labour candidate Francis Steer coming in a close second with 635 votes.

Geoff Simons, the Conservative and Unionist candidate, was in third with 397 votes, while Green Party candidate Simon Hall, received 63 votes.

The total number of ballot papers counted was 1,773.

Following the announcement of the results, the Luton Lib Dems tweeted: "Clive Mead has been elected as Barnfield's new Councillor, following Alan Skepelhorn's win in Wigmore."

"Another excellent WIN against Labour."

WINNER: Lib Dem Clive Mead who takes over from Martin Pantling

Mr Mead replaces Lib Dem Martin Pantling who announced that he was 'reluctantly' stepping down from the seat in September.

Mr Pantling, who represented residents in the Barnfield ward, made the decision after taking up a new role which

would make it impossible to continue with the authority.

Following the announcement he said: "It has been a great privilege to represent Barnfield residents for the past ten years during which time I have met many people and made some good friends."

## It is time to change the law on dead cats

**SIR** – My deepest sympathy to Victoria Whicker and Dave Grimmer who lost their much-loved cat Yoley way before his time, and were not even able to make suitable arrangements afterwards because of the council policy that treats people's companion animals as 'waste' [Couple's horror as pet cat is labelled 'waste', *LoS*, October 13].

I have just signed the petition at <http://petitions.direct.gov.uk/petitions/53894> as they have suggested, asking for the law to be changed so that deceased cats are scanned by the council. This is urgently necessary, and I have a further idea as well.

There should be an arrangement between councils and local

veterinary practices whereby all deceased domestic animals, whether or not they are micro-chipped, should go to a pet mortuary.

If the animals are micro-chipped, the owners can be contacted.

Descriptions of non micro-chipped animals should be published every week and any animals unclaimed after, say, eight weeks could then be sent to the pet crematorium.

This would ensure that at least people have a chance to find out what has happened when their pet goes missing, make arrangements and start to come to terms with their loss.

Debby Wakeham,  
Muirfield, Luton

**DEVASTATED:** Victoria Whicker and Dave Grimmer with a picture of Yoley

### Couple deserve truth

**SIR** – What a load of old tripe the council spout! (Couple's horror as pet cat is labelled 'waste', *LoS*, October 13)

I have had personal experiences with the council and deceased cats and their response has always been that they scan dogs for chips but not cats.

To the council I say, have the guts to own up to the fact that a deceased cat is just picked up and thrown in the back of the truck like rubbish!

Their response to the owners of poor Yoley is disgusting! To many a cat is not just a pet but is a member of the family and should be treated with some respect.

Name and address supplied

### Please end the pain

**SIR** – I can't imagine the pain and anguish felt by Neville Foster ('Someone knows who killed Paul', *LoS*, October 13)

I can only hope that someone will now be brave enough to speak out and help this poor family get the closure that they so clearly need.

No-one should lose a son, husband, father and brother in such a cold and brutal way.

I hope that those who have information, and like Neville, I think that someone does have the key to this case, can now be brave enough to come forward and make a statement.

Someone needs to take a stand against these criminals.

Beryl Jones,  
Stopsley

### It's a worrying time

**SIR** – What a worrying time for those employees at Pratt's Bananas (Fears as 100 jobs at fruit importer at risk, *LoS*, October 13).

There is never a good time to be told that your job is at risk, but with Christmas just around the corner, the timing couldn't be much worse.

The news is filled with stories about how business is starting to boom and the recession has ended, but this case shows that there is still so far to go.

Let's hope that this situation can be rectified without too many people losing their livelihoods and having to struggle to survive.

The next time you buy your fruit from a supermarket on a special offer, think about the people working for smaller business who ensure that these products reach the shelves.

Thomas Quinn,  
High Town

### Not keen on Splash!

**SIR** – I write in response to the person who wrote the letter in support of the television programme *Splash!* making a return to our screens (*Your Letters*, October 13).

The programme is only good for Luton if people outside the town know it is being filmed here. From memory, the presenters of the show only mentioned that the show was taking place in Luton once or twice – it could have been happening anywhere.

I doubt that anyone who lives

near the Inspire swimming pool is going to welcome the return. There were lorries, noise and lights way into the evenings each weekend.

As the writer mentioned, there were also a lot of disappointed kids (and angry parents!) who had lessons cancelled or couldn't have access to the pool.

There should be some alternative arrangements this time, but we shall see whether anything is actually planned.

Name and address supplied

### Praise for the busway

**SIR** – I like many others, was slightly dubious about the Luton Dunstable Busway, but having taken a ride on it, I am now a convert.

I've never been able to get to Dunstable so quickly, and the view of the area near Blow's Downs was surprisingly scenic!

Admittedly, the bus wasn't full but these things take time to catch on. Forget what everyone else has said, give the busway a chance and make your own mind up.

Martin Smith,  
Address supplied

### Appeal to runners

**SIR** – I would like to make a special appeal to runners who have been successful in securing a place in the Virgin Money London Marathon 2014 and would like to run for a children's charity.

The Children's Trust is the UK's leading charity for children with brain injury, multiple disabili-

ties and complex health needs.

By joining the Trust's marathon team, you will be helping to raise funds for some very special children. To apply, please visit: [www.thechildrenstrust.org.uk/londonmarathon](http://www.thechildrenstrust.org.uk/londonmarathon).

Bryony Eida,  
The Children's Trust

### Help local businesses

**SIR** – In the light of the latest inflation figures from the Office for National Statistics, which showed CPI inflation remaining stable at 2.7 per cent in September and RPI inflation falling slightly to 3.2 from 3.3 per cent, it is encouraging that a drop in the price of fuel meant CPI remained stable in September.

However, these inflation figures confirm that next year's annual rise in business rates will be well above the CPI rate of inflation as these are still calculated on the higher RPI.

The effect of this will be to unnecessarily increase fixed cost pressures on a range of businesses, with our local high streets feeling it most keenly.

We are pleased that many authorities are supporting Small Business Saturday on December 7 with special events and initiatives to stimulate interest in independent retailers.

However, we would like to see real progress on the issue of business rates for small businesses who seek clarity and fairness on this issue and it is within the gift of government to make that happen.

Charles Smith, Regional Chairman,  
Federation of Small Businesses

## Unexplained person in the shopping area

**W**E ALL know shopping is a woman's game but they like men along to push the trolley and keep the children under control. It is not just the shopping but the manner of it.

On the weekly supermarket trip men like a list and want to waste no time ticking off everything on it and getting out as soon as possible.

Women like to saunter more, make sure no aisle is not feted with their presence and to go off-piste with the shopping. It does no good to point out that tins of snails are not on the list, or that I don't really fancy them.

Men also miss the need to evaluate each product on an individual basis before committing to buy – shower gel for example. Women look at the different brands, perfumes, colours, packaging before a decision can be made. As all we do is wallop a bit on the flannel and give the

nether regions a quick once over, a bar of household soap does the trick.

When we finally arrive at the checkout, there is a sudden role reversal. I am happy to queue and have my goods zapped by a real person, even if that takes a bit longer.

The present Mrs Lowe suddenly grows impatient, with one of two consequences: either she remembers some trifle, not literally, that has been forgotten and disappears, with daughter, until I find myself loading the goods on to the conveyor at one end and packing them into plastic bags at the other; or we go to the dreaded self check-out.

Now the wife has always been one to chase the techno dream, while I am happy with a quill and parchment. So every new piece of technology that makes shopping easier is seized upon, which seems a paradox.

With the supermarket shop we did move over to shopping online but that did not work as it removed both the chance of speculative buying and involving me.

But new technology can still be used with self-serving. No number of unexplained items in the bagging area, which are invariably my fault, for packing too quickly, too slowly, or not stopping the children sitting there, will deter her.

Have you noticed all those doing it themselves have a self-satisfied air, looking down on poor idiots like me who feel the need to be involved with a real person. Or dislike having a machine talk to them, or order them about. The trouble is that self-serving is really a way of supermarkets saving money.

How long will it be before those that like the human touch will be charged for it? Or simply removed for being an unexplained item in the queuing area.

Somerles pupils have a 'close up' with a polar bear

## Pupils enjoy a new learning experience

PUPILS at a primary school have 'flown on magic carpets and walked through a rainforest' as part of a new learning experience.

It's been made possible by an 'immersive learning' centre at Somerles Infant School which uses computer technology to create different environments.

It is hoped the new centre will improve pupils' speaking, reading and creative abilities. Headteacher Jenny Meara said the school was 'absolutely delighted' with the new development.

# New figures show fall in crime levels

BY CARL MUNGAZI

carl.mungazi@lutononsunday.co.uk

**CRIME** levels in the county have dropped, according to official figures published this week.

Bedfordshire's overall crime rate fell by six per cent in the 12 month period to June 2013.

There were 56.6 crimes committed for every 1,000 people, compared with the rate of 62.1 crimes per 1,000 for England and Wales.

Robbery went down by 28 per cent and there was an 18

per cent fall in the sub category of serious violence with injury.

However, there was a 42 per cent increase in sexual offences. This has been attributed by police to the publicity surrounding the 'Operation Yewtree' investigation into accusations against Jimmy Savile and the force's own work tackling sex trade issues in Luton.

Nationally the amount of sexual offences reported rose by about a tenth, but overall crime fell by seven per cent.

Bedfordshire Police's Chief Constable, Colette Paul, said the figures were 'fantastic news for the people of Bedfordshire and for everyone at Bedfordshire Police who works so tirelessly to fight crime and protect the public'.

She added: "We have some way to go with satisfying victims and there are of course still areas where we need to work even harder and be more creative with the resources we have to keep reducing crime."

# Why Dunstable is in the fast lane!

WHEN I woke up on Thursday morning, the last thing I expected to be doing was riding in a £45,000 high performance buggy, that can blast from 0-60mph in under three seconds!

But never one to turn down a challenge, I strapped on my helmet and clambered into one of the world famous vehicles at the home of Rage Motorsport in Dunstable.

The business, which is firmly established and recognised worldwide, design and manufacture a range of off-road and road legal high performance buggies.

The vehicles, which can travel at up to 120 miles per hour, are sold mainly to private recreational customers, including a whole host of celebrities, and corporate companies.

Antony Allsop, Managing Director of Rage Motorsport, said: "Aside from the UK our buggies are also very popular in Kenya where they are used in races, as well as the United States of America, Denmark and Portugal. In fact, it might be easier to name the countries that we

Hang on tight as reporter LAUREN ARCHELL visits Rage Motorsport

haven't sold to!

"Each vehicle can be custom made to the specifications of the buyer and we make as many parts of the buggy onsite as possible, including the chassis and fuel tanks.

"£45,000 is a lot of money, but each vehicle takes around 200 man hours to complete."

Having been featured on television programmes including Top Gear, the company has also established itself as providing the vehicles of choice for the legendary Dakar Rally desert race.

Moving forward, Rage Motorsport hopes to achieve 'European small series type approval' - a process which ensures that vehicles meet relevant environmental, safety and security stand-

ards for a road legal status in Europe.

"This would take the business to the next stage," said Antony. "We know there is huge demand for the buggies in Europe, but to secure this status we will need funding."

Pleasantries over and strapped into the buggy, I started to feel slightly like The Stig of Top Gear fame.

"You're not allowed to scream!" said Antony seconds before he took me out for a spin. With the roar of the engine and the wind-pummelling my helmet, I can honestly say it was a truly exhilarating.

But now I'm converted, I had better start saving!

# Town's students star in TV show

BY CARL MUNGAZI  
carl.mungazi@lutononsunday.co.uk

A DOCUMENTARY following first year students at the University of Bedfordshire has aired on television.

'Freshers', which was shown on ITV2 on Wednesday night, follows six young people as they leave home and settle into their new lives as university students.

The first episode focused on first years Max, 18, from Nottingham; Anita, 20, from London; Bayleigh, 18, from Colchester and Forrest, 18, from Luton, as they made the transition from home to student halls.

On Wednesday students gathered at the university's new town centre bar SUB2 to watch the first show.

The next episodes of the three-part series will look at the experiences of the other students involved in the production. Jay C, 18 from London and Abbie, 19, from Essex.

Daniel Login, the president of the University of

A film crew has been following the students around the town as they settle into their new lives at the University of Bedfordshire

Bedfordshire Student Union, said: "The filming of 'Freshers' was a unique experience for all who were involved."

**What do YOU think?**  
Email editor@lutononsunday.co.uk

"Freshers Fortnight is a manic period for us and it was great that everyone got to see all the hard work put in by our staff team and our team of voluntary

Freshers' Angels.

"Nearly 100 people attended the screening in SUB2 on Wednesday night and we received loads of great feedback at the event and through social media."

A ITV2 spokeswoman said: "From the unparalleled highs to the unexpected lows, Freshers will explore the daunting reality of university and just how hard it can be out there in the big, wide world."

# Hindu celebration has two guests of honour

BY LAUREN ARCHELL

[lauren.archell@lutononsunday.co.uk](mailto:lauren.archell@lutononsunday.co.uk)

**MORE** than a hundred women attended an event to celebrate the Hindu Navratri Festival in Luton last week.

Held at Futures House in Marsh Farm the Lord Lieutenant of Bedfordshire and the High Sheriff of Bedfordshire were the guests of honour for the ceremony.

The Navratri Festival is a nine-day event. The first three days are dedicated to Goddess Durga, the second three are dedicated to Goddess Lakshmi, while the last three are dedicated to Goddess Saraswati,

**CELEBRATION:** The Navratri Festival event was well attended in Luton

The festival culminates on Mahanavami. On this day, nine young girls representing the nine forms of Goddess Durga are worshiped. Their

feet are washed and then they are offered new clothes as gifts by the worshiper.

This ritual is performed in most parts of the country.

# Half marathon road route is announced

BY LAUREN ARCHELL

[lauren.archell@lutononsunday.co.uk](mailto:lauren.archell@lutononsunday.co.uk)

WITH only a week to go until the first Love Luton Half Marathon takes place, organisers have confirmed which roads will be affected by the route.

To ensure the safety of entrants in the 13.1-mile run, it has been decided that the event will be traffic-free.

The marathon is scheduled for Sunday, October 27, and will start at 10am at Venue 360 in Gipsy Lane, Luton. It is anticipated to end at 1pm.

During this time the roads listed below will be closed to vehicular traffic and will be reopened at the end of the event or when it is deemed safe to do so.

Each closure will be in force only when signed and will

**CHALLENGE:** Runners will be using a 13.1-mile route free of traffic

cover the length of time required for the safe passage of the runners – though pedestrian access through the roads will be unaffected.

In addition, marshalls will be in place throughout the route of the course.

As part of the event, which

is sponsored by Boxfit and Stopsley Striders, Love Luton is encouraging runners to raise funds for 'The NICU Appeal – caring for premature and sick babies at the Luton & Dunstable Hospital'. For more information you call 01582 546265.

## Your wishes will help ease their grief

Society as a whole has never been less exposed to death. As a result, fear of the unknown means that people sometimes avoid others who are ill or dying, and do not feel able to support them.

**"The thought of dying scares most people.**

**However, a bit of thought now will make things easier for you and your family later."**

### Why should I talk about death? Isn't it morbid?

Not at all! We all live and we all die, and life is something to be celebrated through to death.

Talking about dying and death is something people understandably feel uncomfortable about, but it is something we all need to do – otherwise we (or our loved ones) may not die in the way we want.

We are all fortunate to live at a time and in a society where most people live healthy lives through to old age. Increased life expectancy and a steep decline in the numbers of deaths from disease have made death a taboo subject.

Today, many more people live to old age and tend to die outside the home. This means that many people do not experience a family member or close friend dying until they are into their mid-life, and it is even less common to have seen a dead body.

### Not talking about dying and death has many unwanted consequences:

- If relatives and loved ones do not know a person's preferences, they may make decisions about care the dying person does not want
- Close relatives may be unaware of how best to help and support a person who is approaching death
- Those nearing death may feel isolated, distressed or frightened, which can impact on the level of pain they experience
- People may die without writing a will, or relatives may be unsure about funeral wishes

### The stats

- 81% of people have not written down any preferences around their own death
- 25% of men and 35% of women have not told anyone about the funeral arrangements they would like to have after they die
- Nearly two-thirds (63%) of us would prefer to die at home, yet of the 500,000 people who die each year in England, 53% die in hospital.
- Nearly two-thirds of people (60%) have not written a will – including a quarter (25%) of over-65s.

**We want to get people talking. We will be handing out information at points across town 21-25 October**

## The God of Thunder makes a return to the big screen

### PREVIEWS

#### New Films

Various Cinemas

**THIS** week our resident film expert  
Gavin Miller previews movies that  
are out in the next couple of weeks.

#### Thor: The Dark World

Release date: October 30

Cast: Chris Hemsworth, Tom  
Hiddleston, Natalie Portman

The God of Thunder (pictured)  
returns to his homeworld of Asgard  
in the aftermath of his exploits in  
Avengers Assemble to try and save  
Earth and all the Nine Realms from  
a shadowy enemy that pre-dates  
the universe itself.

As Thor (Chris Hemsworth) fights  
to restore order against an ancient  
race – led by the vengeful Malekith  
the Accursed (played by former  
Doctor Who Christopher  
Ecclestone) – he enlists the help of  
untrustworthy brother Loki (Tom  
Hiddleston) on a perilous journey  
that reunites him with Natalie  
Portman's Jane Foster.

As one of the most anticipated  
films of the season this should  
undoubtedly receive the same  
box office-spike that Iron Man 3  
received from the Avengers movie,  
when it's released in a couple of  
weeks time.

#### Jackass Presents – Bad Grandpa

Release date: October 23

Cast: Johnny Knoxville, Jackson  
Nicoll, Spike Jonze

Johnny Knoxville's signature  
Jackass character, 86-year-old  
Irving Zisman, has finally made it

to the big screen.

Director Jeff Tremaine promises  
an insane, hidden camera road trip  
in this docu-comedy that will  
undoubtedly push the boundaries  
of taste – already seen with the  
child beauty pageant clip from the  
promising trailer.

#### Ender's Game

Release date: October 25

Cast: Harrison Ford, Asa  
Butterfield, Hailee Steinfeld

Seventy years after a horrific alien  
war, an unusually gifted child  
(Asa Butterfield) is sent to an  
advanced military school in

space to prepare for a future inva-  
sion under the tutelage of Harrison  
Ford's esteemed colonel.

Ben Kingsley and Abigail Breslin  
co-star in this epic sci-fi adventure  
from Orson Scott Card's  
best-selling and award-winning  
novel.

## 'Parents Week' celebrates role of local families

### FAMILY

#### Parents' Week

Houghton Regis and Dunstable

CENTRAL Bedfordshire Council is  
celebrating the work of local parents during  
'Parents' Week' – a national awareness  
raising campaign, which shines a light on  
the fantastic contribution of parents up and  
down the country.

The theme of this year's event is 'Make  
one change', and is all about asking fami-  
lies, to commit to make one change which  
will make a positive difference to their lives.

That could be something like setting aside  
an extra half an hour a day for play, finding  
out a bit more about healthy eating or  
listening to your children read every day.

To mark the week, the council is working  
with a range of partners to support a series  
of events across the area, where parents  
will be able to access advice, information  
and ideas from a wide range of local  
services as well as making their pledge to  
'make one change'.

Activities kicked off yesterday and more  
will be taking place throughout the week.

Cllr Mark Versallion, executive member for  
children's services at the council, said:  
"Being a parent is the most rewarding  
responsibility in life.

"This Parents' Week, we want to celebrate  
the amazing work that local parents do  
every day and let them know that support  
is on hand if they need it.

"If you're out and about drop into one of  
the council's events and pledge to 'make  
one change'."

Events taking place this week include a  
drawing session for families at the Downs  
Neighbourhood Centre in Dunstable on  
Thursday at 10-12pm and 1.30pm-3.30pm.

There will also be a parent market place  
where advice will be given out. It will be  
held at the Hawthorn Park Community  
Primary School in Houghton Regis on Friday  
between 2.30pm-5pm.

## Autumn season of classical music is a British celebration

### MUSIC

**Luton Library Theatre**  
All concerts begin at 7.45pm

THE autumn season of Music on Mondays celebrates British composers and is sure to attract classical music lovers from Luton and beyond.

The programme of concerts, presented by Luton Music at Luton Library Theatre, features top classical musicians from all over the world, including pianist William Howard and cellist Ashok Klouda (pictured).

Tomorrow at Putteridge Bury, the Britannia Triumphans Galliarda presents a patriotic evening of British music performed by four of the finest early music specialists in the country with songs and dances from the golden age of pre-classical music.

Then Timothy Ridout (viola) and John Reid (piano) visit the Luton Library Theatre, followed by William Howard on November 4.

War & Peace: A Concert for Remembrance Day on November 11 will feature virtuoso young musicians Edgar Bailey (violin), Matthew Featherstone (flute) and Philip Shannon (piano).

The programme includes Vaughan Williams' The Lark Ascending, Prokofiev's Flute Sonata and John Williams' Schindler's List. The players are joined by actor Sián Phillips and performance poet Ben Mallor.

Ashok Klouda (cello) and John Reid (piano) trace the cultural heritage of the cello from the early baroque invention of J.S Bach during their set on November 18.

Tickets cost £15, with concessions at £8. You can make your booking by calling the box office on 01582 547474.

## Ghosts comes to The Grove

### THEATRE

**Ghosts**  
**The Grove Theatre**  
Wednesday, 7.30pm

**MARK your diaries for Wednesday at the Grove Theatre and immerse yourself in a whirlwind of psychological obscurity, domestic scandal and tragedy; cleverly depicted on stage in an adaptation of Henrik Ibsen's play, Ghosts.**

Walk back in time to the 19th century and experience Norwegian culture in its most controversial state.

Set in 1881, in a family household, the play allows the audience to make their own comparisons between morality and social criticism upon some shocking topics.

The intriguing web of just five characters has drama fanatics fixated on thought-provoking themes.

SellADoor Theatre Company concludes the 2013 season with Ghosts which is next in line after four sell-out tours.

Other work includes that of Spring Awakening, the famous A Midsummer Night's Dream

and Lord of the Flies.

The play, Ghosts, is masterfully adapted by the renowned Alfred Enoch, memorable for his role as Dean Thomas throughout the Harry Potter franchise.

Thanks to Enoch this novel is transformed into what promises to be an unmissable stage performance.

SellADoor Theatre Company was established in 2008 by a small group of artists studying at The Liverpool Institute for Performing Arts.

Starting as a predominately fringe theatre company in and around the Liverpool area, SellADoor quickly started to expand its artistic vision to mid-scale touring theatre, and in 2009 relocated itself from Liverpool to its current bases in London and Stirling.

In the years since its formation the theatre company has produced a portfolio of work and firmly established itself as one of the leading producers of mid-scale touring theatre.

Tickets cost £10 and can be purchased by visiting [www.grovetheatre.co.uk](http://www.grovetheatre.co.uk) or calling the box office on 01582 602080.

More information on the theatre company can be found at [www.selladoor.com](http://www.selladoor.com).

Redborne is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

Further information and an application form can be found on our website ([www.redborne.com](http://www.redborne.com)) or you can also obtain this information from Lou Ellis (Headteacher's P.A.) at the school.

Closing date: Wednesday 23rd October, 2013

*Redborne is a successful school that achieves excellent examination results, with 90% of students gaining 5A\* - C grades at GCSE (typically over 70% including Maths and English). 'A' Level results are also very good with 61% of passes at 'A\*', 'A' or 'B' grades and an overall pass rate of 99%. About 80% of the Sixth Form go on to university and each year a number of students get into Oxbridge. The school is well regarded and popular, situated in a very pleasant area of Central Bedfordshire, within easy reach of London. The school's most recent OFSTED report was excellent and we were graded as "outstanding". Redborne is also a National College Leadership Development School and a Leading Edge School.*

**THE PROPOSED CENTRAL BEDFORDSHIRE COUNCIL  
(WOODSIDE LINK HOUGHTON REGIS) DEVELOPMENT CONSENT ORDER  
NOTICE OF ISSUE SPECIFIC HEARING**

**Section 91 Planning Act 2008 and**

**Rule 13(6) Infrastructure Planning (Examination Procedure) Rules 2010**

**Application Reference: TR010011**

Notice is hereby given that an issue specific hearing will be held by the Examining Authority (appointed by the Secretary of State), and that dates have been reserved for a further issue specific hearing and compulsory acquisition and open floor hearings, for the examination of the application by Central Bedfordshire Council for a Development Consent Order for the proposed Woodside Link. The application was made under sections 14(1)(h), 22 and 37 of the Planning Act 2008 on 14 May 2013 and accepted for examination by the Secretary of State on 11 June 2013.

The application is for a new road linking the Woodside Industrial Estate in Houghton Regis to the planned Junction 11A of the M1. The project involves the construction of approximately 2.90 kilometres of new road, comprising approximately 2.55 kilometres of single carriageway road and approximately 0.35 kilometres of dual carriageway. The purpose of the new link road is to reduce traffic in Houghton Regis and Dunstable, especially heavy good vehicles accessing Woodside Industrial Estate.

An **Issue Specific Hearing**, will be held at the following date, time and location:

Date	Time	Location
<b>Friday 15 November 2013</b>	<b>Starting at 10am</b> (registration from 9.30am)	Watling House, High Street North, Dunstable, Bedfordshire LU6 1LF

This issue specific hearing will consider the planning policy and development plan context, any sub-regional framework established or emerging following abolition of the regional strategy, the relationship of the project with the A5-M1 Link and the HRN strategic development in terms of phasing and funding interactions and inter-dependencies, and an explanation of the provisions of the draft Development Consent Order.

At an issue specific hearing, each interested party may (subject to the Examining Authority's control over the conduct of the hearing) make oral representations about the specific issues referred to above.

**Tuesday 21 January 2014** has been reserved for a further **Issue Specific Hearing**, if required.

**Wednesday 22 January 2014** has been reserved for a **Compulsory Acquisition Hearing**.

At a compulsory acquisition hearing the applicant and each affected person may make oral representations about the proposed powers of compulsory acquisition (subject to the Examining Authority's control over the conduct of the hearing). A person is an "affected person" if the person's name has been given to the Secretary of State in a notice pursuant to section 59 of the Planning Act 2008.

**Thursday 23 January 2014** has been reserved for an **Open Floor Hearing**.

At an open floor hearing, each interested party may (subject to the Examining Authority's control over the conduct of the hearing) make oral representations about the application which should be based on the written representation submitted to the Examining Authority.

For all of the hearings interested parties include any person that has made a relevant representation to the Planning Inspectorate in accordance with section 102(4) of the Planning Act 2008, as well as the applicant and various persons and bodies prescribed by statute.

The Examining Authority will confirm on 28 November 2013 the date(s), time(s) and place(s) for the further Issue Specific hearing and any compulsory acquisition or open floor hearings. If such further hearings are required these will be advertised by one or more further notices.

In accordance with Rule 13(3) of the Infrastructure Planning (Examination Procedure) Rules 2010, as amended, the Planning Inspectorate will notify interested parties and affected persons of the date, time and place fixed for each hearing.

It is possible that hearing dates, times or venues may change. You are advised to check the Planning Inspectorate website (<http://infrastructure.planningportal.gov.uk/projects/eastern/woodside-link-houghton-regis-bedfordshire/?ipsection=overview>) shortly before attending any hearing.

In accordance with Rule 13(4) of the Infrastructure Planning (Examination Procedure) Rules 2010, as amended, the Planning Inspectorate will also notify interested parties and affected persons of any variation of the date, time and place fixed for each hearing.

## SOUTH KOREA GETS SERIOUS

With smart looks, a practical interior, great build quality and solid engineering, Kia's third generation Carens is a much improved 7-seat compact MPV. Though well appointed, it offers strong value and efficient running costs. In other words, you get pretty much everything families are looking for in this segment. With this car, the modern era rejuvenation of Kia's model range is complete.

Kia reckons that this is the most stylish car in its sector, a bold claim in a segment boasting some distinctive looking rivals. Under the bonnet, buyers get to choose between a 133bhp 1.6-litre GDi petrol unit or a 1.7-litre CRDi turbodiesel, offered in 114 or 134bhp states of tune, the latter available with the option of a 6-speed auto gearbox. Most will be choosing between the GDi petrol unit or the lower-powered diesel, both capable of around 112mph flat out.

# Hatters silence the

**HATTERS****SKRILL PREMIER  
TAMWORTH  
LUTON TOWN****3  
4****BY TOM SHARP**  
[sport@lsnmedia.co.uk](mailto:sport@lsnmedia.co.uk)**IN the build-up to this encounter, Tamworth manager Dale Belford proclaimed the Hatters' visit as a "David v Goliath" affair.**

In the end, a mixture of sloppy defending and potent finishing saw a much tighter end result than Belford had predicted as Luton only just put the Lambs to slaughter in another seven-goal Skriff Premier classic.

A slow start had seen Tamworth take a surprise lead early on through captain Duane Courtney but the hosts fell behind before the break courtesy of two candidates for goal of the season through midfield duo Jonathan Smith and Andy Parry.

Paul Benson's quick-fire double shortly after the break had all but assured another three points as Luton cruised into a 4-1 advantage.

Undeterred by their deficit, the wounded Lambs threw everything at the Hatters as Lateef Elford-Alliyu and Courtney netted to set up a nervy finish but in the torrential rain Town hung on for another impressive win.

Since Luton's relegation from the Football League, the home side had struggled against Town, with just one win, a 3-1 triumph in August 2010, in eight attempts.

Despite such an iron hoodoo over their hosts, John Still's men were hoping to avoid a shock defeat at the Lamb Ground but they started slowly and after 13 minutes found themselves behind. Elford-Alliyu's penetrating rush to the by-line bewitched left-back Scott Griffiths and served up a delicious delivery for Courtney to precisely place past Mark Tyler, on his 200th Town appearance.

Not against the run of play but nevertheless a lacklustre start against the struggling Tamworth.

With the 1199-strong away following driving them on, the Hatters looked to restore parity almost immediately but the quality was absent. Shaun Whalley's over-hit cross should have presented Town's front-line with an opportunity while hot-shot Andre Gray, fresh from last Saturday's hat-trick against bottom club Hyde, dragged a 20-yard effort wide.

As the half-hour mark approached, Luton looked decidedly out of sorts but their luck was soon to spectacularly change.

Just as Alex Wall's blockbuster against FC Halifax Town a fortnight ago had dug Town out of a hole then, step up Smith and Parry to put their entries in for goal of the season and turn the game on its head.

First, with few options around him, Smith unleashed a 30-yard pot-shot which flew past

## Carr's six of the best for Stockwood in Vase

**LOCAL RUGBY UNION****BY TIM BARTLETT**  
[sport@lsnmedia.co.uk](mailto:sport@lsnmedia.co.uk)

STOCKWOOD Park beat Southam 52-17 in the RFU Senior Vase yesterday, to build on their victory in league action last time out.

"We conceded four tries last week," said Park man Jason Carr. "This week we gave nothing away, save for one penalty try."

"We did the things today we didn't last Saturday, we developed our game."

Carr kicked six conversions and ran in one of Stockwood's eight tries himself as they looked the bet-

ter of the two teams in every department.

Stockwood's other try scorers were Dan Needham, Michael Powell, Paul Harman, James Hankey, Rob Hartley, David Keating and Dermot McCade.

"We picked up where we left off last week," said Stockwood's Number Eight Hartley.

"We just ran our patterns and kept them out. We tackled hard, things are really starting to click."

Park's Man of the Match was centre Kyle Jennings.

"He was unbelievable, nobody got past him," said fellow player Ben Griffin, currently being forced to watch from the sidelines as he recovers from a knee injury.

"That first half was unbelievable, the best rugby we've ever played."

Also impressing was scrum-half Harry Bishop.

"He played really well," said Carr. "He really stepped

up, both him and Kyle [Jennings]."

DUNSTABLIANS enjoyed a walkthrough in the Intermediate Cup this weekend, so took the opportunity to blood a few youngsters and host Biggleswade RFC in a friendly, which they won 40-20.

First half tries from Campbell Hague, Jack Bramston and Joe Murphy, all converted by Murphy, set up a commanding 21-12 lead for the home side.

There was no relief for the visitors in the second period as The Dees ran in another three tries, which Murphy added two conversions to, extending their lead from eight to twenty points.

LUTON RFC enjoyed a rest week, not being in cup action until November.

"At least we've got a full squad to choose from, no injuries," said coach Nick Rhodes.

keeper Cameron Belford. One for the midfielder's scrapbook.

Ten minutes later and with Still perhaps happy to be level after a scruffy first-half showing, Parry, inspired by his midfield colleague's magnificent strike, took a similar long range dig that left the sprawling Belford with little chance.

Two "worldies" and Town sailed in at the break amazingly ahead.

The home side were not going to lie down as they threw on two new recruits, loanee Nick Chadwick and the returning Lee Hildreth, back after an 18-month stint for the Royal Marines in Afghanistan.

However, just a minute into the second phase, Town gunned down the Lambs with lethal accuracy.

Whalley's wonderful free kick found the head of the towering Benson at the far post and he sublimely nodded home.

Nine minutes later the frontman was at it

again to strengthen Luton's cushion.

Gray turned Ben Richards-Everton on halfway and with a burst of pace he glided into the area to supply Benson with an easy finish and the Hatters' fourth – their fourth four-goal haul in six games.

Luton may be free scoring at present but again they showed they are susceptible to conceding as well.

Steve McNulty's careless push on Elford-Alliyu in the box rightly handed Tamworth a minor lifeline as the latter smashed home the 65th minute penalty.

Just as Tamworth had scored the opener after just 13 minutes, with 13 minutes to play they gave themselves further hope. Courtney's snap turn-and-shot from a corner doubled his tally and cut the deficit more.

A nervy ending ensued as Tamworth looked to complete a Lazarus-style comeback but Town resisted.

A terrific three points after a stop-start showing and Town remain in the top three of the Skril Premier.

League matters temporarily halt for FA Cup proceedings on Saturday, when the Hatters will travel to Woking for a fourth qualifying round clash at the start of this season's road to Wembley.

A welcome breather after another whirlwind league encounter.

### Manager plays down England's chances in Brazil this summer

BY LUKE PETERSON

sport@lsmmedia.co.uk

JOHN Still has played down England's chances of winning the World Cup in Brazil next year.

England qualified thanks to a 4-1 beating of Montenegro, followed by a professional 2-0 win over Poland on the final day.

Hatters boss Still watched the games and was as impressed by England as he has ever been in recent times.

"I thought England did terrific," he said. "For the first time in a long time, I thought England were exciting to watch."

"I think the tactics for that particular game [versus Poland] were first class. That's every credit to the manager and his coaching staff."

"Were there flaws defensively? Yes, because we were being counter attacked and maybe against a better side they might have made more of it."

"You can only beat what's in front of you. His tactics against a better side may have been different."

"He had the right combinations all over the pitch."

"The two forwards, Rooney and Sturridge, were very good."

"In the first game, I thought the combination of Gerrard and Lampard was good and I thought he was brave enough to change that for the second one, thinking that maybe they might need someone a touch more defensive in Carrick, who I think is a terrific player."

"I think he found another answer to a possible question somewhere along the way."

"Can we play without Ashley Cole? Yes, we can; Leighton Baines was fantastic. "He wasn't afraid to bring an untried player in and become the star of the show in Andros Townsend."

"He was brave, he was positive, he felt we had to win two games, and we won two games. Can't do more than that."

However, he does not believe England, or the majority of European teams, are capable of winning the tournament, which starts in June.

"I actually think, other than Spain, I'm not sure a European team can win it," said Still. Spain might be able to do it, I think Germany will find it tough."

"I like Germany but maybe a South American team might win it."

The closer it comes, you see how teams are playing."

## Town come from behind to march on in the FA Trophy

### LOCAL FOOTBALL

BY MATT DESAI

sport@lsmmedia.co.uk

DUNSTABLE TOWN came from two goals down against Peacehaven & Telescombe to progress to the second qualifying round of the FA Trophy yesterday with a 3-2 win.

Three second-half strikes saw the hosts seal victory in incredible style, recording their sixth straight win in the process.

The Magpies took an early lead in controversial circumstances when the referee appeared to overturn his linesman's call of handball in the build-up to Charlie Walker's opener.

The visitors dominated the first-half and duly doubled their advantage on thirty-three minutes when Town's failure to clear their lines allowed Walker to slot in his second.

The second-half was a completely different story though, and within twelve minutes The Blues were on level terms.

Daniel Murphy gave the hosts the ideal start to the half when his free-kick flew into the top corner on fifty-two minutes, but this wasn't to be the goal of the game.

Five minutes later, 'keeper Jamie Head's kick found forward Tony Burnett, whose impeccable first-touch set him up to let fly with a terrific volley, giving the goalkeeper no chance.

The Blues seized the initiative, pushing for a third, and were finally rewarded for their efforts three minutes from time when Burnett's cross from the right found Chris Marsh in enough space to tap home with the simplest of finishes.

The hosts held on to record a superb fight-back and go into the hat for the second qualifying round which takes place in two weeks.

**BARTON ROVERS** were thumped 4-1 at home to Rugby Town in the Southern League Central First Division.

The visitors took the lead at Sharpenhoe Road early on when Lewis McBride centred for Seb Lake-Gaskin to volley in from close range.

The contest's real turning point came midway through the first half when Rovers were reduced to ten-men after an elbow on McBride.

The Valley eventually increased their lead on sixty-eight minutes after debutante Mitchell Piggon crossed for substitute David Kolodynski to head home.

Rovers pulled a goal back through Nyasha Sagwete with five minutes remaining but any hope was soon gone when, a minute later, Kolodynski netted his second.

As the match entered into its final moments, Piggon notched a debut goal after good work from Sam Youngs, meaning Rugby leapfrog Barton, who drop into fourth place.

# Cup tie feel for Still in Hatters victory

## HATTERS

BY TOM SHARP  
[sport@lsmmedia.co.uk](mailto:sport@lsmmedia.co.uk)

THE Hatters might be a week away from their first FA Cup encounter of the season but manager John Still feels his side were treated to a cup-style performance by Tamworth in their narrow 4-3 win at the Lamb Ground yesterday.

Luton had to endure a nail-biting conclusion in monsoon conditions as Duane Courtney's second of the afternoon coupled with an Lateef Elford-Alliyu penalty almost saw Town surrender a 4-1 advantage.

However Mark Tyler, between the sticks for the 200th time in a Hatters shirt, and his battered backline stood firm to hand the visitors a sixth win in eight games, although Still believes some of the credit should go to the hosts.

"From the first whistle, they have played it like a one-off tie," said a sodden Still.

"They have launched it forward, they have thrown it from everywhere. Whoever you are playing, that is not easy to play against.

"They played with a passion. They played with a power and tempo and as one of their boys that used to

play for me many years ago said 'that is their game' but in the end we dealt with it.

"I will give them the credit they deserve because they played really well but we have come through another test."

With an electric atmosphere, generated largely by Town's 1,199 fans, Still insisted that his side's support did not allow Luton to take things easy after striding into a three-goal lead.

"Never once did the foot come off the gas," said the Hatters supremo. "If it had then we would have been beaten.

"Some players may not have reacted that well in defensive areas but the players gave everything they had whether they played well or not."

After Town's well-documented sluggish goal-scoring start to the campaign, they have now netted 25 times in just eight matches and Still

is naturally delighted with his side's current end product.

"From the first two goals scored by [Jonathan] Smith and Andy Parry to [Paul] Benson's couple, we are really showing we have some might up front now," said Still.

"Benno's goals were well-worked efforts and that is really pleasing.

"We are showing we can score all types of goals now and we just have to keep up this momentum because we are getting the results we need."

## Sprinter Tobais gets Lottery fund boost

## ATHLETICS

LUTON-born sprinting prospect Deji Tobais has seen his hard work rewarded with Lottery funding for the 2014 season.

The 21-year-old was one of 44 athletes to secure lower-level 'podium potential' support, having proved he is capable of winning an Olympic medal in Tokyo in 2020.

Earlier this year, Deji, pictured, was given his first senior athletics call-up by Great Britain, for the World Championships in Moscow.

The sprinter, who is a Bedford and County athlete, has risen through the age brackets and had a chance to showcase his talent on the world stage in August.

Deji was the youngest member of a 4x100m relay squad which includes Dwain Chambers, Andy Robertson, Harry Aikines-Aryeetey, Richard Kilty, James Ellington and James Dasouli.

The Lottery funding list contained some surprises - with high-profile triple jumper Phillips Idowu losing his Lottery funding for the upcoming season. For more, visit [ww.luton-dunstable.co.uk](http://ww.luton-dunstable.co.uk).
